

TITLE: Extra Pay for Extra Work
State Board of Education Ref: 18A-4-8b

Gilmer County Schools are encouraged to foster and provide supplementary activities beneficial to the mental, physical, and social growth of boys and girls. The contractual obligations of a professional employee should be considered as sufficiently inclusive to cover a reasonable amount of the extra duty necessary to supervise or conduct the supplementary activities which require the equal services of many and promote the general welfare of the schools.

The following activities are recognized by the Board of Education as desirable and/or necessary and additional compensation will be allowed according to the following schedule:
