

TITLE: School Attendance Zones
State Board of Education Ref: 18-5-13

GLENVILLE ELEMENTARY SCHOOL

All areas within the following boundaries:

Northerly direction to the Dowell Plant on Route 33
Easterly direction to the mouth of Gluck Run on Route 5
Southerly direction to the Auction Barn on Town Hill
Westerly direction on Route 5 to the Calhoun County Line on the North side of the Kanawha River including Sinking Creek and all areas Southwest of Tanner School.

NORMANTOWN ELEMENTARY SCHOOL

All areas south of the Auction Barn on Town Hill to Calhoun and Braxton County lines. This includes the territory served by Cedar Creek Road to the Kanawha River.

SAND FORK ELEMENTARY SCHOOL

All areas beyond and including Gluck Run on Route 5 to the Braxton and Lewis County Lines. This includes all secondary roads leading to Route 5 and the areas of Sand Fork and Ellis.

TROY ELEMENTARY SCHOOL

All areas beyond the Dowell Plant on Route 33 to Linn and Alice Road and to the top of the Sinking Creek Hill on Route 47 and Newberne areas including all areas North of Tanner School. This includes all territory north to Lewis, Doddridge and Ritchie County Lines off County Road 9.

1. All students must attend the Elementary School within the zone they legally reside.
2. Students moving from one school zone to another during the school year may have the option of completing the year at the school within the zone they left or immediately enrolling in the school within their new zone of residence. This option expires at the beginning of the new school year.
3. Any deviation from the regulations set forth in this policy must be approved by the county board of education.
